

Dear Colleague,

This is the third announcement of the 12th International Workshop on Pseudo-Hermitian Hamiltonians in Quantum Physics (PHHQ12) that will be held at Koç University, Istanbul, 02-06 July, 2013.

May 1st is the deadline for early registration. You can make an online early registration by following the relevant links in the website: home.ku.edu.tr/~phhq12. This will allow you to pay lower registration fees. May 1st is also the deadline for finalizing your room reservation in our on-campus housing facilities. Because of the limited number of available rooms we will not be able to keep the reservation unless the housing fee is paid before May 01, 2013. For further information visit the above website.

Participants who will stay at Fuat Paşa Hotel should also let us know by replying to this message. This is necessary for making the arrangements for the transportation of the participants from the hotel to the campus.

If you are interested in giving a talk at PHHQ12 and if you have not already done so, please download, complete, and send us by email the [pre-registration form](#) of the meeting that is posted in the above website. A tentative list of speakers has been posted in the website of the conference. This list is regularly updated and will be finalized by June 01, 2013.

Hoping to see you in Istanbul in July,

Sincerely,

Ali Mostafazadeh (on behalf of local organizers)
